Beware of Ointments for Catarrh That Contain Mercury
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Held For Damages In Mrs. Latham's Suit.

An order has been made at Owensboro, in the Federal Court, dismissing the suit against 56 of the 108 defendants in the suit of Mrs. Elsie G. Latham, who have compromised by paying \$5000.

The order also recites that James Chambers, Will Froham, Alonzo Gray, Buddie Glass, Mack Murphy, Green Parker, Dick Pool, Tom Redick, and Harvey Satterfield, having been duly summoned and failing to answer, the allegations of the petition are to be taken as true and confessed, and the amount of damages which plaintiff is entitled to recover against them will be determined by a jury at the next term.

It is also stipulated in the order that the plaintiff is given 60 days to file an amended petition making additional parties defendant and also setting out additional allegations.

The name of Dr. D. A. Amoss, who is the first defendant mentioned in the suit, is not among those with whom the case is compromised.
